

CFE Capital announces the appointment of a key official

Mexico City, March 10th, 2022.- CFECAPITAL, S. DE RL DE CV., a subsidiary company of the Federal Electricity Commission and in its capacity as administrator of CFE Fibra E¹, the first specialized energy and infrastructure investment trust in the energy sector in Mexico reports the following to the investing public:

Today, the Seventh Session of the Conflicts Committee of the Irrevocable Trust CIB/2919 took place, in which the independent directors unanimously approved the appointment of Ernesto Lichtle Menéndez, replacing Mariana Minutti Colombres, as Director of Finance.

Ernesto Lichtle Menéndez has a degree in Economics and Finance from Universidad Iberoamericana of Puebla, he has a Master's Degree in Stock Market and Financial Markets and in Portfolio Management from the Instituto de Estudios Bursátiles in Madrid Spain, he also has studies in International Finance from the London School of Economics.

He has more than 10 years of experience in the Financial and Stock Market Sector. In the company CFENERGIA, he held different positions such as Deputy Director of Financial Institutions and Derivatives, Director of Finance and Administration, and Commercialization Director.

He was Finance Director of CFECapital in the period from February 2019 to May 2020.

CFECapital reiterates to its investors the strategic role that CFE Fibra E will have as a source of project financing so that the Federal Electricity Commission (CFE) and its subsidiary production companies collaborate effectively in strengthening and consolidating the company as a key player in the electricity sector in Mexico.
