

CFE Capital announces the appointment of a key official

Mexico City, October 24th, 2022.- CFECAPITAL, S. DE R.L DE CV., a subsidiary company of the Federal Electricity Commission and in its capacity as administrator of CFE Fibra E¹, the first specialized energy and infrastructure investment trust in the energy sector in Mexico reports the following to the investing public:

Today, the 8th Session of the Conflicts Committee of the Irrevocable Trust CIB/2919 took place, in which the independent advisors unanimously approved the appointment of Carmen Serdán Banda as a key official, new Chief Executive Officer (CEO) of CFECapital, replacing José Arturo Cerón Vargas.

Carmen Serdán Banda has a Bachelor's degree in Economics and Finance from the *Universidad Iberoamericana de Puebla* and a master's degree in international finance from the *Instituto de Estudios Bursátiles (IEB)* in Madrid, Spain, from which she graduated with the recognition as the best student in the program.

She also has specialized studies in Private Banking and Financial Advice from the IEB and has attended excellence programs of the financial sector from The Chinese University of Hong Kong, Wharton School of the University of Pennsylvania, the London School of Economics and Political Science. Likewise, she has successfully obtained the AMIB Figure 3 certification, and she is CFA level II candidate.

She has experience in the financial and energy sectors. She has held in prominent positions such as Director of Finance and Administration Department and the Operations Department at CFE International; a subsidiary company of the Federal Electricity Commission (CFE) in the United States, frequently categorized among the first 10 companies in the Top North American Natural Gas Marketers ranking by Natural Gas Intelligence. Previously, she was appointed as Director of Investor Relations at CFECapital. She has held various positions in investment portfolio management and economic analysis.
