
CFE Capital announces the appointment of Key Officials

Mexico City, December 5th, 2023. CFE Capital, S. de R.L. de C.V., a subsidiary company of the Federal Electricity Commission, in its capacity as Administrator of CFE FIBRA E,¹ First Energy and Infrastructure Investment Trust specialized in the energy sector in Mexico, informs the investing public of the following:

Today the Tenth Session of the Conflict Committee of the Irrevocable Trust CIB/2919 took place, in which the Independent Members, unanimously approved, the appointment of Patricia E. Millán Arroyo, Director of Investor Relations of CFE Capital and Gilda Flores Buenfil, Legal Director of CFE Capital, as Key Officials of the Administrator.

Patricia E. Millán Arroyo has a bachelor's degree in international relations and has a master's degree in North American Studies from the University of the Americas- Puebla, both of which she graduated with Magna Cum Laude. She also has a Diploma in Marketing from the Autonomous Technological Institute of Mexico (ITAM), a Diploma in Trust Administration and Management from the Anáhuac University. She has taken various courses, including Induction to Investor Relations and Alternative Instruments: ETF's, RFIBRAS, CKD's and CERPIS, both taught by the Mexican Stock Exchange.

She has sixteen years of professional experience collaborating, both in the public and private sector, as well as in international organizations. Her Experience in Project and Program management in different sectors has allowed her to develop a broad perspective for the management and development of relationships with stakeholders. At CFE Capital, she is responsible for maintaining communication with analysts who provide coverage to CFE FIBRA E, as well as for the attention of the investing public.

On the other hand, Gilda Flores Buenfil has a Law Degree from the Technological University of Mexico, with master's studies in Tax Law from Panamericana University; she is compliance specialist and has a master's degree in public Contracting from the Castilla – La Mancha University.

She has twenty-one years of professional experience, both in the Mexican federal public service and in the private sector, she has served, among others, as Deputy Director of Commercialization for the company CF Energía, S.A. de C.V.; Director of Regulations and Consultations of the Executive Secretariat of the National Anti- Corruption System; Quality Director of the Ministry of Economy. At CFE Capital, she is responsible for managing, coordinating, and supervising the legal aspects that are part of the activities of this CFE subsidiary company.

CFE Capital, through these designations, reiterates to its investors the commitment it has to carry out its tasks as Administrator of CFE FIBRA E, with a professional team dedicated to the proper functioning of the Trust in order to, in this way, fulfill its function as an alternative source of financing for the Federal Electricity Commission in the execution of productive projects in the energy sector, and thus contribute to the strengthening and consolidation of the CFE as a key actor in the electricity sector in Mexico.

¹ Irrevocable Trust CIB/2919.
