

CFE Capital announces appointment of new member of the Technical Committee of CFE FIBRA E

Mexico City, Mexico, December 4th, 2024.- CFE Capital, S. de R.L. de C.V. in its capacity and Administrator of CFE FIBRA E, the First Energy and Infrastructure Investment Trust specialized in the energy sector in Mexico, informs its investing public of the following:

Rodrigo Espíndola Parra, Deputy Director of Contracting and Services of the Corporate Administration Directorate of the Federal Electricity Commission (CFE), joins the Technical Committee of CFE FIBRA E as a member.

Rodrigo Espíndola Parra is a lawyer graduated from the Autonomous Technological Institute of Mexico (ITAM by its initials in Spanish), with eighteen years of Experience in federal and state public service. He holds two certificates in Business Law and Public Administration from ITAM and the National Institute of Public Administration, respectively.

He began his professional career as a practicing attorney at the Guzmán y Asociados Law Firm, in the Commercial, Civil and Family Litigation department.

In the public sector, he served as legal advisor in the Office of the Oficialía Mayor of the Social Development Ministry. He also worked as a career public servant, in the position of deputy legal director in the National Coordination of the Human Development Program “Oportunidades.” In the Ministry of Social Development, he served as head of the Contracts and Agreements Department, as president of the Transparency and Access to Information Committee, as well as director of Real Estate Regulation, Logistics and Control.

In the tax area, he was the legal administrator of the general director of the Administration and Disposal Assets Service, a decentralized body of the Ministry of Finance and Public Credit. He also served as coordinator of Commercial Contests and later as executive director of Administration of Insured Companies and Commercial Contests.

Since February 2019, he served as Deputy Treasurer of Tax Administration at the Ministry of Finance and Administration of Mexico City, where he implemented various improvements to achieve more efficient and better collection of contributions, as well as close attention to taxpayers.

As of October 2024, he will serve as Deputy Director of Contracting and Services at CFE, where he implements, coordinates, and supervises actions related to market intelligence processes, as well as the contracting of goods, services, leases, works and related services for CFE and its Subsidiaries Productive Companies.
